- Eric Housh

Minutes from November meeting read and approved by Charles and 2nd by Mike Riley

Treasurers report: Only change from previous report were a couple of deposits and the \$1500 donated to Alabama Water Watch

Current Business

January 19, 2012 general meeting

It was agreed by all to change time of general meetings to 6:30. Isabella took exception as the guest speakers were already told 6:00 for general meeting in January. Time to change to 6:30 after the January meeting.

Length of Meeting-It was agreed by all that each presenters talk 20 minutes with a 10 minute question and answer.

Mike to get article to Daily Home and other papers about the meeting coming and also on the Web Site.

Membership Brochure

Brochure to be in mail 1-9-12 with an announcement about the general meeting

All reviewed the brochure. Isabella requested that the list of areas to volunteer or take interest in be reduced and leave a blank to be filled in by member the volunteers

Isabella requested that the mission statement be changed on the brochure take out everything afterwelfare of Logan Martin Lake and its Homeowners, Business and users.

It was further discussed how to get members to get the newsletter via email. Mike to write something about members to sign up to receive information via email and lower the printed versions of the newsletter.

It was discussed that a training for e. Coli testing be set up so this can be announced at the meeting in January.

Clean up 2012

Clean up to be March 24-31 and this needs to be mentioned in the January meeting and newsletter.

Eric brought up an idea that businesses that send the most volunteers to the clean up would receive a free advertisement in the LMLPA newsletter.

Exception was made that there should be a small business and large business included in the contest.

Respectively,

Deborah Cearley
