

Executive Board Meeting
Logan Martin Lake Protection Association
October 9, 1997

Executive Board members present were Dick Whatley, Lynn Batemon and Don Greer. Also present were directors Tommy Bowers and Isabella Trussell.

The executive board approved sending two people to the Deep South Environmental Conference at Auburn University on October 21 and 22, 1997. Maximum expenditure of \$300 .

Discussed buying one or two kits used by water monitors for use by the people at Thomas Branch. The board approved buying one kit. In the discussion it was suggested that the county commission might buy another one if required.

Discussed asking local governmental bodies to support resolutions requiring ADEM to Test the sediment in the lake for P.C.B.'s.

Discussed the cooperation between groups on the COOSA in applying for the American Heritage Rivers Initiative.

Submitted by Don Greer
